Talks

Feb. 2020 | Indo-UK (UGC-UKIERI) Workshop on IoT and Security
Phantom Networks: An Intangible Communication Paradigm Loughborough University, London campus, UK

Oct. 2019 | SRIC-NSCS Workshop on Future Research COllaborations on Defence Security Applications
Covert Networked Surveillance Systems and Soldier-as-a-System IIT Kharagpur, India

Oct. 2019 | SGRIP-sponsored Short Term Course on Selected Topics in Modern Wireless Networks and IoT
Development of an End-to-End IoT-based Architecture for real deployments. IIT Kharagpur, India

Oct. 2018 | TEQIP III-sponsored Short Term Course on Internet of Things: Theory and Applications
Evolution and Need for IoT: Microcontrollers to Complex System of Systems IIT Kharagpur, India

Feb. 2018 | Indo-UK (UGC-UKIERI) Workshop on IoT Security
Safety and Privacy in IoT Healthcare City, University of London, UK

Oct. 2017 | Indo-UK (UGC-UKIERI) Workshop on Usable IoT Ecosystem
Architecting IoT-enabled UAV Networks and Networked UAV Swarms Loughborough University, London, UK

Jan. 2017 | DeITy-Media Lab. Asia - ITRA Water Evaluation Workshop
Designing Autonomous UAVs IIT Kharagpur, India
